'A LA CARTE' ACTIVITIES

Culture & Excursion

Panorama *Aiguille du Midi*

High Mountain Adventures Within Your Reach!

The most famous cable car in the world reaches the top of the Aiguille du Midi at 3 842 meters in only 20 minutes ! This high-mountain area provides a unique 360° panoramic view over the entire Mont-Blanc massif, Switzerland and Italy.

After a presentation of the many surrounding legendary summits, your guide will share his knowledge on glaciers, local history and tell you about the construction of this incredible cable car.

The 'Step into the Void®' is a technological prowess which promises an unforgettable experience ! With more than a thousand metres of emptyness beneath your feet inside this glass box. Thrills are guaranteed...

Half-day | From 6 people and more.
From mid-December to begin November | Accessible to all.

Panorama *Montenvers – Mer de Glace*

Admire one of the greatest glacier in Europe !

The famous Montenvers rack and pin train takes you to the edge of the Mer de Glace in only 20 minutes ! The Montenvers terrace offers a spectacular view over the Drus peaks, Aiguille Verte, the Grandes Jorasses mountain... The receding action of the Mer de Glace reminds us of the reality of global warming.

It is a perfect place to exchange views and discuss the necessity of a low environment impact.

Half-day | From 6 people and more.
From mid October to end September | Accessible to all.

Panorama *Helbronner - Italy*

After a short drive through the Mont-Blanc tunnel, we quickly reach 3 462 meters and the 'Pointe Helbronner' with the brand new 'Skyway' cable-car. Its 360° revolving cabins will allow you to enjoy breathtaking views of the Aosta Valley and the Italian side of Mont-Blanc.
At the top, the terrace will offer you a XXL panoramic view on the South side of Mont-Blanc. The tour continues by visiting the Mont-Blanc room: an immense glass wall overlooking Mont-Blanc, and the Crystal room where you can admire the jewels of our mountains...

Half-day | From 6 people and more.
From mid-December to begin November | Accessible to all.

GLACIER HIKE
« MER THE GLACE » ALT . 1913 M

The famous Montenvers cog train leaves from Chamonix
and takes you to the edge of Mer de glace in only 20 minutes!

After climbing down the ladders, the group will hike on Mer de Glace in a turquoise labyrinth of ice, meandering between ice towers and crevasses under legendary peaks such as the Drus, Aiguille Verte, Grandes Jorasses.
An introduction to alpine techniques is also available : practice ascending ice walls using ice axes, and rope-up for a thrilling walk between crevasses ...
By the end of the day, crevasses, glacier moraines and ice tables will seem so familiar !

Full-Day | From 6 people and more
All year round | For dynamic people

GLACIER HIKE « COL DU GEANT » ALT . 3500 M– ITALY

Introduce your staff and co-workers to high-mountaineering !

After a short drive through the Mont-Blanc tunnel, we quickly reach 3 462 meters and Helbronner peak with in cable-car.

The XXL panoramic view of the south side of Mont Blanc is wilder and almost Himalayan looking. One can also admire the less famous South face of the Grandes Jorasses and of course Mer de glace in its entire length.

During this easy snowshoe hike, you will have plenty of time to emerge yourself into this gigantic and marvelous environment made of rock and snow.

If you feel out of breath, it is probably because of the altitude...or is it from the views ?

Half or full-Day | From 6 people and more
From begin December | Accessible to all
